1. PPL PARCEL CZ PRIVATE

Introductory provisions

These Product Conditions ("PC") of **PPL PARCEL CZ PRIVATE** service represent special covenants for delivery of shipments in **PPL PARCEL CZ PRIVATE** service mode. These PC form an integral part of the General Terms ("GT"). In the case of any contradiction between these PC and GT, the covenants of these PC shall prevail.

PPL PARCEL CZ PRIVATE service is provided in the forwarding service mode. To the extent not regulated by these PC or GT, the provision of **PPL PARCEL CZ PRIVATE** service is governed by NCC. In the case of any contradiction between these PC, GT, and NCC, the covenants of these PC shall prevail, then GT and then NCC, unless a mandatory regulation of NCC is in question.

Definition of the service – for whom is it intended?

The service is only intended for entrepreneurs buying under their ID No. (hereinafter referred to as "natural persons engaged in business") and for legal entities

Definition of the service – what can be delivered in the service mode?

Parcels up to 31.5 kg, with the maximum shipment dimensions 120x60x60 cm, and with the aggregate of circumference and length not exceeding 360 cm

Definition of the service – where the delivery may be performed?

Delivery within the Czech Republic only, where the recipient is a private person

Definition of the service – when PPL is going to deliver in the service mode?

The operator is obliged to exert reasonable efforts to deliver the shipment within the periods specified below:

Delivery from Monday to Friday.

In the case of a significant increase in the number of packages the delivery on Saturday, Sunday, or a government holiday is possible.

In selected localities, option to select between daytime (8:00 a.m. to 6:00 p.m.) or evening delivery (5:00 p.m. to 9:00 p.m.) – the list of Postal Codes with the option of evening delivery is available on <https://www.ppl.cz/postal-code-night-del>

The operator make one delivery attempt to the recipients address and when recipient is not at home parcel can be delivered to closest PPL Parcelshop or a PPL Parcelbox (PPL Service Point).

PPL Parcelshop shall be understood to mean a place (shop, business premises operated by a third party or a PPL in-house facility), which facilitates receipt and issuance of PPL shipments in addition to its main activity. A PPL Parcelbox is a self-service device which allows for issuance of receipt of shipments.

The customer is obliged to specify the telephone number and e-mail of the recipient. The data will be used for the purpose of communication with the recipient when making delivery of the shipment.

The customer notes that provision of PPL PARCEL CZ PRIVATE service is affected by many external factors beyond the operator's control, such as traffic situation or weather conditions.

Definition of the service and what are the delivery methods?

- Delivery to the recipient address
- Option to deliver to the Service Points network of PPL (more information available on <https://www.ppl.cz/en/pickup-points>). A PIN is required to pick up a shipment from the PPL Service Point. This PIN is sent to the recipient by e-mail.
- Possibility to change the delivery conditions online
- Electronic confirmation of delivery.
- Communication with the recipient that includes e-mail and SMS communication with information about the approximate delivery time within 2-hour interval.

Possibility to combine with the said auxiliary services

- COD collection from the recipient using a payment card or in cash. The maximum COD amount is CZK 100,000. Payments by payment card and in cash cannot be combined.
After delivery of the shipment, the COD amount will become a customer's receivable from PPL, and PPL shall remit it within 7 business days from delivery of the shipment to the account specified by the customer.
The payment card fee is 1.4% of the total COD amount. The said fee does not substitute COD amount payment to be charged according to the up-to-date Price List. The financial transfer for parcels with a cash on delivery is made by cashless transfer, according to the customer card setting either individually - ie 1 shipment = 1 payment order or collectively, when 1 payment is paid for all shipments paid on the given day of collection. If the customer opts for an aggregate submission, an e-mail is sent to him on the day of the delivery, in which the individual paid amounts are assigned to the numbers of the individual consignments, in two formats - .txt, .html.
- When sending shipments in a set, if the additional service of cash on delivery from the recipient has been added for one or more shipments (combined COD), the correct data will be required for provision of the service. A link to the document describing correct data set-up is published at: <https://www.ppl.cz/set-of-packages>. The consignor hereby declares that he/she has read this document and is aware that he/she is obliged to provide PPL the correct information for the shipments in question in data format, otherwise PPL shall not be obliged to provide the service and shall not be liable for any errors caused by breach of this obligation by the consignor. Support for implementation of correct data interchange is available at ithelp@ppl.cz.
- Increased liability. The maximum value of the shipment with Increased liability is CZK 500,000.
- The maximum value of the shipment with Increased liability, which includes permitted valuables, is CZK 150,000.
- AgeCheck service offers handing over the parcel only to a person having reached a certain age. Available options are 15 or 18 years.
- Direct Addressing service offers better prices of parcels delivered directly to PPL Service Points. In e-shop, the recipient shall select delivery directly to PPL delivery point.
- Service Next delivery attempt to address. If delivery attempt fails the courier will deliver the parcel to recipient address next business day. The recipient may change the place and date of delivery.

Price of the service

The price of transport for PPL PARCEL CZ PRIVATE service is quoted in the applicable Price List. It consists of transport fee, toll fee, fuel surcharge and VAT. The up-to-date Price List is available on: <https://www.ppl.cz/price-list-company>

Prices of additional services are based on the up-to-date Price List. The up-to-date Price List is available on <https://www.ppl.cz/price-list-company>

PPL CZ reserves the right to change the aforementioned Price List at any time.

Shipment packing

The respective shipment packing requirements are available on <https://www.ppl.cz/packing-guidelines>

2. PPL PARCEL CZ BUSINESS

Introductory provisions

These Product Conditions ("PC") of **PPL PARCEL CZ BUSINESS** service represent special covenants for delivery of shipments in **PPL PARCEL CZ BUSINESS** service mode. These PC form an integral part of the General Terms ("GT"). In the case of any contradiction between these PC and GT, the covenants of these PC shall prevail.

- Delivery to the recipient's address or to the service points network
- Possibility to change the delivery conditions online
- Electronic confirmation of delivery
- Communication with the recipient

Possibility to combine with the said auxiliary services

- COD collection in selected countries. Detailed information on www.ppl.cz
COD shipments can be sent except Czech Republic to the Slovakia, Hungary, Romania and Poland

Slovakia – there is the possibility of declaring in EUR and CZK.

In the case of the CZK declaration, the conversion is made to EUR according to the ČSOB exchange rate list of purchases on the day the consignment enters the system and withdrawn from the recipient in EUR. The customer is paid according to the declaration in CZK to an account maintained with the Czech Bank.

In the case of the EUR declaration, the amount in EUR is collected and paid. SEPA payments are used for payment and in this case it is no longer necessary to have an account with a Slovak bank. The account can be maintained in any country that supports SEPA payments.

Upon delivery of the shipment, the cash on delivery amount is the customer's claim against PPL and PPL remits it to the customer specified account no later than 10 working days after delivery of the shipment, see the rules above.

The maximum amount of cash on delivery for SK is equivalent to CZK 80,000. It is not possible to combine payments by credit card and cash.

Poland, Hungary, Romania - there is possible to declare only in PLN / HUF / RON and it is necessary to have an account opened in the Polish, Hungarian Romanian Bank. Upon delivery of the shipment, the cash on delivery amount is the customer's claim against PPL and PPL remits it to the customer specified account no later than 10 working days after delivery of the shipment, see the rules above.

The maximum amount of cash on delivery is equivalent to CZK 35,000 for PL, HU, RON. It is not possible to combine payments by credit card and cash. The financial transfer for parcels with a cash on delivery is made by cashless transfer, according to the customer card setting either individually

- ie 1 shipment = 1 payment order or collectively, when 1 payment is paid for all shipments paid on the given day of collection. If the customer opts for an aggregate submission, an e-mail is sent to him on the day of the delivery, in which the individual paid amounts are assigned to the numbers of the individual consignments, in two formats - .txt, .html.

- Increased liability. The maximum value of the shipment with Increased liability is CZK 500,000. Up-to-date price list of Increased liability service is available on www.ppl.cz
