INTRODUCTORY PROVISIONS

These Product Conditions ("PCs") of the **PPL PARCEL CZ PRIVATE service** represent a special arrangement for the delivery of Shipments in the **PPL PARCEL CZ PRIVATE service**. These PCs are an integral part of the General Terms and Conditions ("**GTC**"). In the event of a conflict between these PCs and VPs, the provisions of these PCs shall prevail.

Terms introduced by capital letters and not defined in these PCs have the meaning defined in the GTC.

DEFINITION OF SERVICE

Delivery of a Parcel to a private address within the Czech Republic, where the Recipient is a private person.

Who is it for?

The service is intended only for entrepreneurs shopping under their ID number (hereinafter referred to as "entrepreneurial individuals") and legal entities.

What can be delivered

Parcels of dimensions and weight according to [Article 12](#) of these GTC and packed according to the Instructions for Packing Shipments.

In the case of delivery to a Point of Delivery as part of the additional Direct Addressing service, or storage of the parcel in the event of unsuccessful delivery, the dimensions according to PP product PPL PARCEL CZ SMART apply, with a maximum parcel value of CZK 50,000

Within the PPL Parcel CZ Private product, it is possible to send multi-piece Parcels. A single Parcel can consist of multiple parcels. All packages within one multi-package Shipment:

- have the same customer ID
- have the same customer address (e.g. same warehouse)
- have the same delivery address
- were shipped on the same day.

In the event of damage to a multi-piece Parcel, all packages except the damaged piece will be delivered. In the case of damage to a multi-piece Parcel in a COD set, the entire set will be returned to the sender.

The link to the document describing the correct data settings for multi-piece Shipments is published at: <https://www.ppl.cz/zasilky-v-sade-datove-nastaveni>.

When and how we deliver

Delivery will take place to the Recipient's address. The methods of delivery are governed by Article 6 of the GTC of Delivery of PPL parcels.

PPL is obliged to make reasonable efforts to ensure Delivery takes place on business days (Monday – Friday) between 8:00 AM and 6:00 PM. Deliveries will not occur on public holidays. In case of a significant increase in the number of Shipments, PPL reserves the right to exceptionally deliver on Saturday, Sunday, or on a public holiday.

The PPL will make one attempt at Delivery to the Recipient's address. In the event of non-delivery, the Parcel may be deposited at the nearest Point of Delivery or at the favorite Point of Delivery (more information <http://www.ppl.cz/co-jsou-vydejni-mista>). The delivery method can be changed online - on the www.ppl.cz website or in the mojePPL App.

In the event of a significant increase in the number of Shipments, Delivery may take place on Saturdays, Sundays or on a public holiday.

The Sender is obliged to provide the PPL with the Recipient's telephone number and e-mail. The data will be used for the purpose of automatic notification of the Recipient upon Delivery of the Parcel.

The PPL will send an automatic Notification of Delivery to the Recipient. The notification contains information about the approximate delivery time within 2 hours.

The Sender acknowledges that the provision of the PPL PARCEL CZ PRIVATE service is associated with a number of external factors, many of which are beyond the control of the PPL, such as force majeure events and other situations specified in more detail in Article 11.1 of the GTC.

The Sender may be provided with an electronic confirmation of Delivery in the agreed manner.

SPECIAL ARRANGEMENTS FOR THE PROVISION OF THE PPL PARCEL CONNECT SERVICE

Labelling the Shipment with a Foreign Label

Germany

For Shipments to Germany, the new legal requirements of the German Postal Act apply concerning the labelling of heavier Shipments with a special symbol in the categories 10-20 kg and 20+ kg. The regulatory obligation is valid from 1 January 2025. In the logistics systems of PPL and DHL the correct labelling of Shipments according to indicated weight has been implemented. Customers of PPL Parcel Connect, PPL Parcel Connect Plus, PPL Parcel Smart Europe and Parcel Europe (Direct Injection) are obliged to ensure correct marking and weight indication in the accompanying data (xPAN). Customers may be charged for additional costs (labelling correction/weight correction)

for incorrectly labelled Shipments. The fee tariff and detailed information on mandatory labelling can be found on the PPL website: [ppl.cz/heavy_shipments_germany](https://www.ppl.cz/heavy_shipments_germany)."

Ireland

Shipments to Ireland are subject to specific requirements resulting from the Import Control System 2 (ICS2) security and customs regime when transported within the PPL PARCEL CONNECT network. In PPL and DHL logistics systems, the transfer of data required by this regime is supported. PPL PARCEL CONNECT customers are required to ensure that correct, complete and truthful information about the Shipment is provided as necessary to comply with these requirements. The Sender is obliged to provide the following information in particular, at the level of individual items in the Consignment:

- Detailed and specific description of the goods in EN (max. 35 characters),
- 6-digit HS code,
- weight of the goods,
- value of the goods.

General or vague descriptions of goods are not accepted under the ICS2 regime.

The sender is responsible for the correctness and completeness of the data provided. In the event of failure to provide them or incorrectness, the Shipment may be delayed, its transport may be refused, the Shipment may be returned to the Sender or additional costs associated with necessary corrections or additional steps may be applied.

In order to correctly fill in the data on the Consignment, the Operator recommends using the following documents and tools:

- Rules for the description of goods and the list of inadmissible terms (ICS2) – available on the PPL website:

<https://www.ppl.cz/ics2-list-of-stop-words-2026>

<https://www.ppl.cz/guidance-acceptable-goods-description>

13. ADDITIONAL SERVICES

The individual products listed above can be combined with selected additional services. A list of additional services that can be combined with a given product is provided in the description of the product.

DOMESTIC TRANSPORT

Collection of cash on delivery from the Recipient

- Cash on delivery can be collected using a credit card, cash or an online payment gateway.
- The maximum amount of cash on delivery is CZK 100,000. It is not possible to combine payments by credit card and in cash.
- After the Delivery of the Parcel, the COD amount is the Sender's receivable against PPL and PPL will transfer it to the account specified by the Sender within 7 working days of the Delivery of the Parcel at the latest.
- The fee for card payment is 1.4% of the total value of the cash on delivery. The fee for payment by business credit card is 1.9% of the total value of the cash on delivery. These fees do not replace the payment of cash on delivery, which will be charged according to the current Price List of Services.
- The financial transfer for Parcels bound by the cash on delivery amount is made by cashless transfer, according to the settings in the customer card, either individually, i.e. 1 Parcel = 1 payment order, or in aggregate, where 1 payment is made for all Parcels paid on the given day of the levy. If the Sender chooses summary sending, an e-mail is sent to the Sender on the day of the levy, in which the individual paid amounts are assigned to the numbers of the individual Shipments in 2 formats - .txt, .html.
- When sending parcels in a set, if the additional service of cash on delivery from the Recipient is added to one or more parcels (Bundled Cash on Delivery), the correct data are required for the provision of the service. A link to a document describing the correct data settings is published at: <https://www.ppl.cz/zasilky-v-sade-datove-nastaveni>. In the case of damage to a multi-piece Parcel in a COD set, the entire set will be returned to the sender. The Client hereby declares that it has read this document and is aware that it is obliged to provide PPL with the information on the parcels in question, otherwise PPL is not obliged to provide the service and is not liable for any misconduct caused in connection with the breach of this obligation by the Client. Support for implementing the correct data exchange is available on ithelp@ppl.cz.

Increased responsibility for Shipments

- The price of increased responsibility for the Shipment is based on the valid Price List of Services. The maximum value of a Shipment for transport is CZK 500,000.
- The maximum value of a Parcel submitted for transport containing valuables is CZK 150,000.

Agecheck

- offers to hand over the parcel only to a person over a certain age. It is possible to choose between the 15 or 18 age option.
- During the inspection, the Recipient will be asked to provide proof of identity (in particular ID card, driving license, passport). The driver will record the last 4 characters of the submitted document and its type in their App.
- If the Recipient's age does not correspond to the selected service, or the Recipient refuses to provide proof of identity, the Driver is entitled not to hand over the parcel.
- A Shipment with this service cannot be placed in PPL Parcelboxes and third-party Boxes.

Direct Addressing

The service offers a price advantage for parcels delivered directly to PPL Point of Delivery.

The recipient selects Delivery directly to a PPL Point of Delivery in the e-shop. The maximum parcel dimensions are governed by the conditions applicable to pickup points (Parcelshops and Parcelboxes) as set out in Article 11 of these Terms and Conditions. Shipments that do not comply with the defined maximum dimensions shall be subject to the transport conditions of the PPL Parcel CZ Private product.

Another Delivery Attempt

If the courier does not reach the Recipient at the Delivery address, the parcel will be re-delivered to the address the next working day. The recipient can change the place and date of delivery.

Pickup Order

A Pickup Order refers to a request for the collection of shipments from the Sender's designated pickup address. The pickup may be scheduled as a regular service (daily pickup) or as a one-time service (ordered ad hoc, typically one day in advance). A driver arrives at the known pickup address to collect shipments that are prepared and labeled with transport labels. A Pickup Order may apply to any PPL product.

Transport Order

A Transport Order refers to a request for the transportation of a shipment from any address to another address. This service may be used for transportation within the Czech Republic, from the Czech Republic to Slovakia, or from Slovakia to the Czech Republic. Based on the order, a driver arrives at the agreed address, collects the shipment for transport, and affixes a transport label (referred to as a "minilabel"). Typical use cases include the transfer of goods from a supplier, between company branches, or in cases of incorrectly delivered shipments.

Pick up by driver

Drop off of parcel is possible by driver pick up. Parcels of dimensions and weight according to Article 11 of these GTC.

Prolongation of the Storage time of the Shipment

A paid Additional Service for the Recipient (pursuant to Article 1.5.4 of the General Terms and Conditions), based on which the storage of the Shipment at the Access point will be extended by the period selected by the user in the myPPL App beyond the standard storage period. The Service is provided in accordance with the conditions set out in the App Terms of Use.

Atypical Shipments

Introductory Provisions

These Product Conditions („PC“) and Conditions of the Atypical Shipment additional service represent a special arrangement for the delivery of Shipments in the Atypical Shipment additional service regime. These PC are an integral part of the General Terms and Conditions ("GTC"). In the event of a conflict between these PCs and VPs, the provisions of these PCs shall prevail.

Terms introduced by capital letters and not defined in these TM have the meaning given to the GTC.

When and how we deliver

The PPL is obliged to make reasonable efforts to deliver the Shipment from Monday to Friday (8:00 a.m. – 6:00 p.m.).

The Sender acknowledges that the provision of **the Atypical Mail service** is associated with a number of external factors, many of which cannot be influenced by the PPL, such as traffic situation or weather conditions. The Sender acknowledges that the transit time may be extended in the case of providing **the Atypical Shipment** service.

In the event of a business decision, PPL is not obliged to temporarily accept the Atypical Shipment for transport.

The fee for the Atypical Shipment service is charged for deteriorated handling conditions, and the payment of this surcharge does not relieve the Sender of the obligation to pack the Shipment in a way that will protect its contents from damage.

The Sender may be provided with an electronic confirmation of Delivery in the agreed manner

Shipments under this service cannot be delivered to the PPL network of Points of Delivery.

SERVICE PRICES

The surcharge for the Atypical Shipment service is based on the valid Price List of Services. The current Price List of Services can be found here: <https://www.ppl.cz/cenik-firmy>. PPL CZ reserves the right to change the above Price List of Services at any time.

Special provisions for the Atypical Shipment service:

PPL Package Max+
